Health Supplies

Surface cleaning range

Convenient and disposable Reynard surface cleaning wipes provide fast and effective cleaning and disinfecting. Fragrance free to be non-tainting, these wipes are ideal for quick and convenient cleaning of most hard surfaces, any time, anywhere.

All-in-one cleaning wipe

Hygienic, easy to use, convenient & efficient, Reynard Surface Cleaning wipes are available as pre-moistened or for your convenience, in a biodegradable dry wipe format. Disposable, extra large and super strong.

Clean and disinfect all hard surfaces

Removes all dirt and debris from chairs, benches, beds and mattress covers to cash registers, coffee machines and office phones. Moist enough to effectively clean sealed surfaces without spotting or leaving residue.

Cost-effective

Cleaning and disinfecting with Reynard wipes eliminates the needs for rags, spray bottles and chemicals, thus saving on laundering, chemical and storage costs.

Better for staff

Disposable wipes eliminate the need for staff to measure harmful chemicals and concentrates and removes potentially harmful airborne sprays over patients, staff and food.

Product specifications and availability may vary according to country.

Always read the label and product information before use.
