RHS dry wipes for baby range

## Dry Wipes for Baby

*Reynard's range of dry wipes are the new and exciting wipe. One of the softest and strongest wipes on the market they are highly absorbent and fast becoming the preferred option for nappy changing, bathing and cleansing.*

*Chemical and fragrance free, soft, durable and large, all you need to do is add water to get the job done.*

Chemical and fragrance free, Reynard wipes are made from a high quality, bleached and non woven material which can be used wet or dry. Soft, large and highly absorbent so you use less wipes. Safe to use on baby's face or hands.

### Softest baby wipe

Reynard everyday wipes are soft, large and strong and fast becoming the popular alternative for nappy changing and bathing. Safe to use on newborns, babies, face and hands.

### Variety of uses

Used wet or dry, Reynard wipes are suitable for a variety of tasks from hand and face cleaning, nappy changing, nappy liners and bath time.

### Reduce chance of eczema and nappy rash

Reynard's dry wipes contain no chemicals and are fragrance free which helps to reduce the chance of eczema and nappy rash.
